**Advertising & promotion:** We are again widely promoting this annual show in many knife, hunting, gun, outdoor sports, and related magazines; and in websites, newspapers, and other shows. We shall distribute 12,000 flyers at other gun and knife shows, clubs, and shops. Visit our website, [www.PAKnifeShow.com](http://www.PAKnifeShow.com), and sign up for our e-mail list. E-mails will be sent to thousands of known knife fans, makers, dealers, collectors, vendors, etc. If you have a good place to announce this show, please forward this flyer and list the show on your favorite websites. This show is a repeat of our successful knife shows held in past years on the same weekend. Help us promote and grow this high quality annual show, at low cost to all. Then you can make more sales! Ask for more free flyers to distribute to fans and customers, and to display at your shop and other shows. The Forks Community Center is convenient to buyers and vendors living in New Jersey, New York, and Eastern Pennsylvania. Around 30 million people live within 150 miles. We should attract thousands of knife fans. The show will repeat **September 24 and 25, 2011**.
